TUNNEY WINS FIGHT BUT FANS DISPLEASED

New York, Aug. 1.—Gene Tunney, American light heavyweight champion, was given judges' decision over Dan O'Dowd, of Boston, after a 12-round bout last night in the Queensboro Stadium. The champion staggered O'Dowd with body blows in fifth round. O'Dowd landed less than half a dozen solid punches in all rounds.

The crowd booed both fighters until they left the ring. Tunney's blows were ineffective in most of the rounds and his fighting was wild. Tunney weighed 174 pounds and O'Dowd 175.

After the fight, which some of the fans declared reminded them of a "slow action" motion picture, Tunney's manager said the champion had injured his right hand in the fourth round, breaking a small

bone, and had been forced to nurse it during the remainder of the fight. It was called to his attention, however, that Tunney had done his heaviest hitting in the fifth.

EIGHT-TO-ONE-SHOT WINS RACE AT REGINA

Regina, Aug. 1.—On account of the heavy track, it was found impossible to stage any barn races at the exhibition grounds yesterday afternoon. Consequently the four-day racing meet was launched with a programme consisting exclusively of running events.

The biggest odds of the day were obtained on China Jane, which paid \$16.20 on a \$2 ticket. This horse, the property of two Winnipeg men, showed a neat pair of heels in the 6 1/2 furlong race for three-year-olds. Montague, winner of the special race, paid \$8.

CANADIAN LEGION INVITING VISITORS

Endeavor to Bring American Legion Members to Victoria

With a view to attracting visitors from the branches of the American Legion in the Western States and from Washington and Oregon particularly, the Canadian Legion here in co-operation with the Victoria and Island Publicity Bureau, is sending literature and invitations to these branches, stating that all members coming to this city will be welcomed by ex-soldiers here.

The Canadian Legion promises a hearty entertainment for comrades from the other side of the international boundary line, and in the near future it is expected that a large body of men from Washington and Oregon points will visit this city and be guests of the Canadian Legion here.

The Canadian Legion here is planning a programme of sporting events for September 3. This will include races of all descriptions, jumps and other athletic competitions. It is hoped that the entry list for these events will be a large one. The far plans are being carried out satisfactorily. It is probable that good many American visitors will be present at the meeting.

BOARD WILL HEAR OF EXAMINATION RESULTS

The City School Board will take stock of its teaching staff at a private meeting late to-day when Municipal Inspector George H. Deane will analyze the results of final June examinations for the information of the Trustees. Mr. Deane has completed his investigation of examination results, and will be ready to explain them fully to the Board.

The resignations of Miss Eric S. MacFarlane, domestic science teacher at the Girls' Central School, and Miss Mabel Wright, domestic science teacher at George Jay School, were accepted by the Board yesterday afternoon.

PRESTON FINDS ALL WELL AT SOOKE LAKE

City Engineer and Water Commissioner F. M. Preston returned to his desk at the City Hall late yesterday after a day's inspection of the city's waterworks system at Sooke Lake. Mr. Preston said to-day that he had found everything satisfactory at the Lake. So this year there has been no outbreak of fire in or near the watershed area, which has been menaced by forest fires frequently during recent summers.

Expansion joints installed on the waterworks flow line from Sooke Lake are working very satisfactorily and increasing the volume of water flowing through the big cement pipes substantially, Mr. Preston declared. The Engineer ran into rain at Sooke Lake and in the Shawnigan district on his way home.

MAY TOURIST CARS COMING TO ISLAND

Charmer Brought 766 Cars From Mainland So Far This Season

Figures showing the list of cars, not registered in British Columbia, carried by the Canadian Pacific steamer Charmer between Vancouver and Vancouver Island this season were issued to-day by Capt. J. W. Troup, manager of the B. C. Coastwise Service. These figures give an indication of the districts from whence the motorists are coming.

Of 766 cars registered, Washington led with 315 and California came second with 253 cars. Oregon was credited with 95. This makes a total of 663 cars from Pacific Coast states, leaving 103 cars to be divided over 25 other states. The car to come farthest distance by its own power was from Florida, although two cars came from the Hawaii territory by way of San Francisco and Vancouver Island. Only two Canadian provinces were included in the list. Capt. Troup issued, Saskatchewan is credited with 3 cars and Alberta with 12, the remainder are all from the United States.

A little over half of the cars coming to the island by way of the Charmer were closed cars, it was intimated.

The total of 766 cars does not represent the total number of tourist cars that have come to this island and Victoria during the season. The Charmer has been making regular trips, while the Anacortes Ferry also brings many hundreds of cars here in a month. The figures just completed can only be taken as a criterion by which to estimate the number of cars that have passed through Victoria this season. Figures for the B.C. Motor Vehicle Association will probably be issued later in the season, while the Anacortes ferry is expected also to announce figures.

PROHIBITION SETBACK.

Coaticook, Que., Aug. 1.—Prohibition had another setback yesterday in the polling at St. Anselme County when a majority of about 2,300 was recorded for the repeal of the Scott Act, long in force in this district, and in favor of the Quebec Liquor Act.

Edwards, of the Hudson's Hope, in the Peace River, is to succeed J. Gregg, resigned, as district registrar of births, marriages and deaths.

CONFERENCE WILL CONSIDER ACT ON CHURCH UNION

Toronto, Aug. 1.—Definite decision to call a meeting of the Joint Methodist and Presbyterian and Congregational church union committee on September 27 was reached to-day.

One of the principal tasks of the committee was to consider one of the Acts of Parliament governing church union. The agenda of the meeting and place of assembly remain to be fixed.

PLEADS NOT GUILTY TO BUCKETING CHARGE

New York, Aug. 1.—Louis M. Kardos, Jr., of the defunct brokerage firm of Kardos & Burke, who was indicted yesterday for bucketting and trading against customer orders, to-day entered a plea of not guilty. Bail of \$15,000 which was fixed yesterday, was continued.

OBITUARY RECORD

The funeral will take place Saturday from the R.C. Funeral Parlor of George E. Hawkins, aged seventy-one, a resident of Victoria for the past fifteen years, who passed away at his home on Queens Avenue Sunday. A service will be held at St. John's Church at 1.15, from where the funeral cortege will proceed to Ross Bay cemetery for the interment.

The funeral of John Jackson Young, who passed away last Friday, took place yesterday afternoon at 2 o'clock from the Sands Funeral Chapel. Relatives and many friends were present. Rev. F. W. Hardy officiated, and the hymns sung were "Abide With Me" and "Lead, Kindly Light." Mrs. R. Baird sang "Oh Rest in the Lord." George Russell, William Lemm, R. Maguire, R. R. Taylor, W. F. Waugh and T. Robinson acted as pallbearers. Interment was made at Ross Bay cemetery.

The funeral of the late Emil Pfender will take place from the R.C. Funeral Chapel at 3.15 Saturday afternoon under the auspices of the Grand Lodge of British Columbia, Knights of Pythias. The remains will be forwarded to Vancouver for cremation.

Mayor Back From Holiday; "Full of Pep", He Asserts

Mayor Reginald Hayward returned to his desk at the City Hall to-day after a brief and broken holiday at Shawnigan Lake and announced that he was "simply full of pep" and ready to tackle the worst problems city departments can produce.

The Mayor said his health had been much improved by his ten days in the woods around Shawnigan. He had intended to spend two straight weeks away from the cares of office, but his holiday was broken when he attended the reception to President Harding in Vancouver last week.

City officials who conferred with the Mayor to-day on city business found him tanned and thin from vigorous exercise. His Worship has been spending a great deal of his time rowing a big boat around and swimming with his children at Shawnigan.

DEWIES CHARGE OF ELEVATOR WEAVER

Superintendent Brands Order to Steal Accusation As False

Moose Jaw, Aug. 1.—(Canadian Press)—Denial that he had told W. P. Rogers to file his scales at the Searle Elevator Company's elevator at Star City was made by J. M. Stewart, Rogers superintendent, at the morning session of the Royal Grain Inquiry Commission here to-day.

Stewart said he had never instructed Rogers to steal from the farmers in any way. He denied all of the statements made by Rogers at Tuesday's session in regard to filing the scales. He never had heard of the filing until Rogers had testified Tuesday. This case occupied all of the morning session, several witnesses being called to testify.

HISTORIC POST OF FORT LANGLEY

Judge Howay Recounts the Story of Founding of Old H. B. Fur Post

Fort Langley, Aug. 1.—An interesting story of the establishing of the Hudson's Bay Post in Langley, of how the site of the post was reached by the company's officials in 1824, of the difficulties encountered by these men, and lastly of the steps that are at present being taken to preserve this building as a historical asset to the Province, was told by His Honor F. W. Howay, F.R.C.S., of New Westminster, at the public meeting called by the Langley Board of Trade.

His Honor traced the history of the Hudson's Bay Co. and the Northwest Co. to their union in 1821, and in 1824, the Rocky Mountains were crossed and a settlement established on the Columbia River. With this post established, the combined efforts of the company were concentrated on opening up the country north of Columbia River. This could only be done in the face of keen American competition. In the same year a party under the leadership of Factor McMillan set out from Astoria to examine suitable sites for posts in British Columbia. The party came up the coast by way of Gray's Harbor, Chehalis and Olympia and finally landed at the mouth of the Nisqually River on Semiahmoo Bay. The Nisqually was traveled in the batteau of the party as far as possible, and then a portage was made from the Nisqually to the Salmon River. The Salmon was followed to its mouth in the Fraser, and thus the first trip of white men into this district was completed.

Decide on Fort's Site
Upon reaching the Fraser, the party journeyed up as far as Historic and finally it was decided to build the fort on the Fraser River. At one time it had been planned to open the post at Point Roberts, but this was given up on account of the unsuitability of the soil and surroundings. The party was then taken to the present site of Fort Langley by the ship "Cadboro" and here McMillan found what he was looking for in the way of farm lands as well as a site for the fur post.

In the Fall of 1824 and the Spring of 1825, actual work on the first fort on the Coast of British Columbia and the first between the Columbia River and Sitka was commenced. Shortly after this, the boat left and McMillan with his party of 30 intrepid, hardy pioneers was left alone, a few whites in what was virtually a sea of savages.

MORE PUBLICITY ON CONFERENCE

People Uninformed On Empire Questions, Viscount Sandon Says
Speaks for Dominions' Ambassadorial Rights

London, Aug. 1.—In the course of the debate in the House yesterday on the Consolidated Fund Bill, Viscount Sandon pointed out that the agenda of the Imperial Conference had been published in Australia, but the people of Britain had been kept uninformed on the subject.

He expressed the hope that more publicity would be given the results of the forthcoming conference than of previous conferences, and that the fullest free discussion would be allowed on any questions which any of the Dominions might desire to raise.

Viscount Sandon said he believed that when the report on mandate was presented to the League of Nations it would be more than satisfied with the administration of mandated territory by the Dominions. He wondered what the views of Premier Smuts and Mr. King would be on the question of the Australian Premier's advocacy of a resident minister to Great Britain and said that once the fear of dictatorial action was removed, ambassadors from the Dominions would be the inevitable result.

Viscount Sandon said he hoped the subject would be considered at the Imperial Conference and that Canada would be conceded the right to have an ambassador at Washington if she so desired.

POLITICAL PARTIES PLANNING MEETINGS

Independent Liberals to Start Campaign in September

London, Aug. 1.—The various political parties in this country are engaged in considering arrangements for carrying on vigorous autumn campaigns. The Conservatives will hold meetings in all parts of the country, and will wind up at the annual conference at Plymouth in October.

The Independent Liberals have decided to launch a campaign in September with a meeting in London of Liberal members of Parliament, defeated Liberal candidates and workers generally. At this meeting H. H. Asquith, leader of the Independent Liberals, will develop his policy. This will be followed by a hundred or more meetings in October, at which the speakers will include Mr. Asquith, Viscount Grey, Sir John Simon and Lady Bingham Carter.

Platform Approved.

At a meeting of the Independent Liberals last night, presided over by Mr. Asquith, the main lines of the proposed campaign were approved. It was agreed that the party should concentrate its attention on the final settlement of the reparations question, the indebtedness of other countries to Great Britain, disarmament, security, free trade, land reform and a liberal industrial policy.

SIX INDICTMENTS RETURNED AGAINST MONTGOMERY KARDOS

New York, Aug. 1.—Six indictments were returned yesterday against Lewis M. Kardos, formerly head of the stock brokerage concern of Kardos & Burke, which failed last year for more than \$2,000,000.

Five of the indictments charged Kardos with trading against the accounts of customers and the sixth with bucketing orders.

John Burke, formerly treasurer of the United States and three times Governor of North Dakota, was a member of the firm. He said he had no idea of the nature of the business in which his firm was alleged to have indulged and agreed to assist the district attorney's office.

THREE ELECTROCUTED WHILE BORING WELL

Stockton, Cal., Aug. 1.—Andrew J. Mueh, well-borer, his nephew, Louis Lertora and Alec Wilson, for twenty years in the employ of Mueh, were electrocuted yesterday while boring a well at Morada, four miles from here.

The three men were killed instantly. It is conjectured that the cause of the well-boring apparatus came in contact with a high power electric line that passes over the projected well.

FACTS GIVEN BY CITY EMPLOYEE

"Tanlac has put me in such fine shape I feel fully twenty-five years younger, just like a new man," said F. Coombs, 553 Janette Avenue, Windsor, Ont., well-known city employee.

"I never thought any medicine could be as good as Tanlac has been in my case. I suffered from stomach trouble until my appetite was so poor many days I didn't touch a mouthful of dinner, and I could hardly get home from work at night. I couldn't rest, and mornings when I got up it seemed like my eyes were about to drop out of my head for want of sleep.

"But I sleep like a farm hand now and get up feeling like a two-year-old. I eat three hearty meals every day, everything agrees with me, and I'm so strong I finish a day's work feeling so good I go home in the time. Tanlac is the best medicine I ever heard of."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37,000,000 bottles sold.

Tanlac Vegetable Pills are Nature's own remedy for constipation. For sale everywhere. (Advt.)

ENTIRE QUESTION OF CLAIMS LEFT OPEN

Turkish and American Experts Compile Formula for Basis of Treaty

Lausanne, Aug. 1.—The Turkish and American experts today compiled a formula for insertion in the proposed Turkish-American Treaty which leaves the entire question of American claims open for future negotiation. Under the terms of the formula both Turkey and the United States are mutually obligated to conduct these negotiations and by them to decide the nature of claims that are admissible and also to provide a method for adjusting them.

Both Joseph C. Grew, American Minister to Switzerland, who is conducting the American negotiations, and Ismet Pasha, leader of the Turkish delegation, have cabled the text of the formula to their respective Governments.

The whole text of the new Treaty is before the State Department of Washington and the American delegation is awaiting final instructions.

Commercial Privileges.

The Treaty accords the United States the most favored nation treatment in commercial matters and gives Americans doing business in Turkey privileges equal to those extended to all other foreigners. It has been declared to have two distinct conventions, one of amity and commerce, and the other for extradition.

RECORD CREATED IN DIVISIONS

Labor Party in Australian House Spent Night Walking

Melbourne, Australia, July 31.—What is believed to be a parliamentary record in the number of divisions that took place in a single night has been made by the Australian House of Representatives. All night long on motions of censure moved by the Labor opposition, and on supply, the members kept moving in and out of the division lobbies until when morning broke they had reached the record total of fifty divisions.

One member found the strain so great that he belched at the chairman, abused the Premier, Mr. Bruce, and shouted to the Speaker, "I don't know whether you name me or not." The Speaker promptly named him, and he was removed from the chamber by the officials. He did not put up a fight. Another member named for similar protest apologized.

The Labor party contend that Mr. Bruce should not go to the Imperial Conference unless with instructions from Parliament and that in any event Parliament should continue to do business while he is absent.

WORLD SCIENTISTS GO TO SAN DIEGO TO STUDY ECLIPSE

San Diego, Aug. 1.—Two astronomical parties, vanguard of the small army of scientists who will gather at San Diego to make observations of the eclipse of the sun on September 10, arrived here yesterday. From Hampton Roads, aboard the transport Capella, came L. G. Hoxton, professor of physics at the University of Virginia, and Allan Mitchell, astronomer in charge of the Leander McCormick Observatory of the University of Virginia. Professor Mitchell himself arrived by train last night.

Thirty men, sent by the scientific force at Mount Wilson Observatory, arrived at Fort Rosecrans at this port yesterday and immediately started work of laying concrete bases and erecting for various instruments which will be used in observing and photographing the solar phenomena. Cameras forty feet long will be used in photographing the Corona and large telescopes will be mounted at Fort Rosecrans and other points.

Astronomers from all sections of the United States, Australia, South America and Europe are expected here within the next few weeks. The eclipse of the sun will be total at this point.

Two parties of scientists, it is reported, will go to the Coronado Island, a few miles southwest of San Diego, to observe the eclipse.

TORONTO BANDITS STILL AT LARGE

Toronto, Aug. 1.—Believing that the bandits that have been the cause of so much trouble here last Tuesday are still in Toronto or the vicinity, the police have become suddenly active in the city and the suburbs.

Headquarters detectives are working on the theory that one of the bandits, seriously wounded, is hampering the movements of the gang. A record of such a war has been issued to a number of detectives and it is evident that the police intend searching rooming houses in the city.

An intensive search of the country by several posses of detectives in the vicinity of the barn where the bandits' car was found has so far been fruitless, but the hunt is being continued.

HELD UP POKER GAME

North Bay, Ont., Aug. 1.—Following the receipt of information from the north that a man wanted in connection with the hold-up of a steamship was engaged in a game of poker at Kirkland Lake was aboard the Continental Limited. Provincial Inspector Elliott, assisted by Arthur Hebert, saxophone player, as he stepped off the train at North Bay.

Hebert is alleged to have held up a poker game a short distance from Adams, scooping with more than \$400.

He is then supposed to have left Kirkland Lake, accompanied by a fourteen-year-old girl. The girl was taken off the train at Cobalt and Hebert was arrested at North Bay.

CROPS ARE MAKING SPLENDID HEADWAY

Situation Very Promising Says C. P. R. Crop Report

Hail Damage in Alberta But Not Heavy

Winnipeg, Aug. 21.—(Canadian Press)—Favorable weather has prevailed during the last week with scattered showers over the three prairie provinces. Crops are making fine headway and the situation is very promising, according to the weekly crop report issued by the agricultural department of the C.P.R. here.

Rye harvesting is already well under way and is proving a fair crop. There has been some hail damage in Alberta, but the loss is not as heavy or extensive as in previous weeks. Black rust has attacked crops in Manitoba and Saskatchewan, but more so in the former province. Present weather conditions are unfavorable to propagation, the report states, but it will be at least ten days before it can be determined what damage has been done. The varieties, such as Ruby wheat will, it is expected, escape rust owing to advanced development. Throughout the West, it is stated, there is considerable discoloration of the stalks of wheat caused by the damp weather, which has been mistaken by many farmers for rust.

TEN MILLION WAR VETERANS DRAWING DISABILITY PENSIONS

Geneva, Aug. 1.—The number of casualties by the world war who are drawing pensions is estimated at 10,000,000 in a report communicated by the International Labor Bureau to a conference of experts being held to study methods of placing all of these men at work.

Germany has 1,537,000 pensioned men; Australia, 76,000; Austria, 164,000; Belgium, 56,000; Canada, 15,000; the United States, 157,000; Finland, 10,000; France, 1,506,000; Great Britain, 1,170,000; Italy, 800,000; Poland, 320,000; Rumania, 100,000; Jugoslavia, 164,000; Russia, 71,000; Czechoslovakia, 235,000; and New Zealand, 20,000.

Statistics are lacking for Turkey, Bulgaria, the Baltic states, Portugal, Hungary and Japan.

EXPORT OF CATTLE FROM CANADA TO ENGLAND INCREASING

Ottawa, Aug. 1.—During the month of July just ended, Canada sent 415 head of cattle in twelve shipments to the United Kingdom. Discussing this new branch of Canadian business yesterday, Dr. J. H. Grisdale, Deputy Minister of Agriculture, declared that it had exceeded expectations, especially for the midsummer months, which are ordinarily dull in the cattle shipping business.

The prospects for August, he said, were for even larger shipments, ten having been arranged for already, and the business probably would double for the months of September, October and November.

"The class of cattle going forward," said Dr. Grisdale, "is remarkably good."

Dr. Grisdale said that it was quite evident that the interests which had all along consistently opposed the entry of live cattle into Britain were still active in their efforts to minimize the development of this new trade.

The Department, said the deputy, had taken the matter up with the

FLOODS NOW RECEDING

Baltimore, Aug. 1.—After causing heavy damage to property, the flood which swept the counties west and northwest of Baltimore, reached its crest yesterday and slowly started to recede.

The flood was caused by clouds-bursts and thunderstorms causing the Potomac River to overflow its banks, carrying bridges and buildings before it and driving hundreds of families from their homes.

ECZEMA

Itchy, burning, scaling skin. Eczema is a skin disease that causes intense itching and burning. It is often caused by an allergic reaction to certain foods or substances. The skin becomes red, swollen, and covered with small blisters or scales. It can be very uncomfortable and embarrassing.

There are many treatments for eczema, but the most effective is to identify and avoid the allergen that is causing the reaction. This may involve a diet change or the use of certain medications. It is important to consult a doctor for a proper diagnosis and treatment plan.

THE CAPE BRETON RESULT.

Although there existed no valid reason why the Government of Mr. Mackenzie King should have expected that the electors of the Cape Breton North and Victoria constituency had undergone any change of heart since the Federal election eighteen months ago, the Prime Minister and his colleagues will find matter for congratulation in the return of the Liberal candidate in yesterday's contest by an obviously conclusive and satisfactory majority.

The victory of the Government candidate is all the more significant because it demonstrates that the people of a constituency next-door neighbor to Prince Edward Island were in no way influenced by political events which have so recently altered party fortunes in that part of the Dominion. On the contrary yesterday's result will have had a sobering effect upon that small but hopeful Conservative element which has read disproportionate significance into the trend of political developments that have altered the party complexion of two provincial Legislatures in recent days.

It should also be remembered that the by-election in Cape Breton North and Victoria has been conducted in an atmosphere charged with acutely conflicting views on the procedure followed by the Government at Ottawa in respect of recent labor troubles. Here again one may discover that the verdict is a vote of confidence in the Prime Minister and not in any shape or form a censure upon the actions of his Government in the dispute referred to.

SOUND PROGRESS.

Reasons for gratification in proof of local progress may be found in the returns of the Building Inspector for the first seven months of the present year. They show building values authorized to date totalling \$558,966 as against \$482,131 for the corresponding period of 1922— which period similarly revealed an increase over that of 1921.

There may be nothing stupendous in the amount of the advance in building activity; but the fact remains that each year is showing a steady increase in values that are now a good deal nearer the normal than they were a couple of years ago. Herein lies the more important feature of any form of recent progress. It denotes stability. Stability is better than spurious prosperity.

HOPE FOR THE C. N. R.

If no unforeseen disaster strikes Canada in the next three years Sir Henry Thornton expects the Canadian National Railways to cease to be a burden to the taxpayers of this country. He bases this optimistic view of the future of the people's investment upon the gradual but certain increase in the receipts of the road and the prospects of still more revenue at no distant date.

Nor did the chairman of the C. N. R. make any bones about his own interpretation of the difficulties which have to be met and circumvented. He said "we have enemies, and we know it, and we know we have a stand-up fight before us." There is a good deal more truth than platitude in this statement. There is a substantial and fairly influential army of knuckers at work that ceases to decry public ownership only when it slumbers. But the majority of the people of this country understand something of the nature of their investment and are quite prepared to give Sir Henry Thornton and his colleagues an opportunity to bring the road to a profitable condition. They are also aware that neither he nor an army of archangels can work miracles over night. On the other hand if there is no prospect of an eventual escape from the annual deficits, or at least a substantial reduction in the discrepancy, the people will have to reconsider the whole situation and decide what to do.

Sir Henry Thornton seems to have more than increased of revenue from the Government road upon which to base the pronouncement which he made in Montreal recently. The gross earnings of the C. P. R. for June were higher than for any month of this year and were only exceeded once in 1920. If business is so much better on one road it will be better on the other.

"I TOLD YOU SO."

When Mr. Lloyd George issued his valedictory he remarked that it would interest him to sit back and watch how his successor would forgive Germany her debts and "make France love us more."

This morning's news from London indicates that the British Government is encountering the greatest difficulty in framing a policy which will allow single-handed action with the Germans and at the same time insure a continuance of the Entente with the French and Belgians.

There was something prophetic in the soliloquy which the little Welshman promised himself. It will not go down to posterity as a political epic because the idea of turning France aside from a course of reparations collection would not bear serious consideration even at that time. But it

serves to emphasize, more especially in the light of recent events in the Ruhr, the size of the problem with which Premier Baldwin and his colleagues are faced.

Meanwhile Mr. Lloyd George is not betraying anything in the nature of a fervent desire to assist his successors in their dilemma. He is without official shackles and he is moving about to his heart's content. That is one of the privileges of his present position. Its method of use may be a debatable point.

GETTING FUNNY.

Followers of Eamonn de Valera in Venice are appealing for funds. They are telling the people that "a truce does not mean renunciation."

There is something rather pathetic about the whole business in which de Valera still considers himself to be the central figure. When Southern Ireland was in a state of war with Britain, and the daily recital of shootings and ambushes and the like struck a tragic and discordant note in more than one part of the world, there might have been some point to the "republican" campaign from a purely political angle. But at a time when Ireland is looking after her own affairs through the operation of two Parliaments, in the light of an announcement to the effect that for the first time in many years a month has gone by without a single murder, it looks strangely and humorously futile.

We can imagine how the average Viennese would thrill to the clarion call which de Valera has caused to be circulated. Gondoliers will no doubt pause on the Grand Canal and shower half of their earnings upon the misguided canvassers.

SHOULD WORK BOTH WAYS.

One of the Okanagan Valley newspapers complains bitterly about what it seems to suggest is a "Buy B. C. Products" campaign that is only applied one-sidedly. For instance it declares that bush and tree fruits are continually imported from the United States when the local market could be satisfied from the Interior of the Province.

The Kelowna Courier takes up the case of the growers in that locality as follows:

The latest instance has deepened the impression which has gained strength throughout the Interior during the past year that the slogan of Coast origin, "Buy B. C. Products" really means "Buy Vancouver Products" and is not reciprocal. The manufacturers, wholesalers and business men generally are anxious to inculcate loyalty upon the part of the vast Interior to Vancouver-manufactured articles, but the support they give in return by the purchase of B. C. grown fruit and produce is certainly far from wholehearted.

If the mild charge which our Interior contemporary lodges is borne out by the facts there would appear to be an argument in favor of some sort of a conference between the Okanagan growers and the wholesalers at the Coast. For it is obviously to the interest of the distributors to do business with their own people as long as the capacity to supply the market at the proper time can be demonstrated. Even lateness in some varieties of small fruits should not give full season privileges to the foreign grower at the expense of the local producer.

BETTER NEWS FROM SAN FRANCISCO.

Throughout British Columbia in particular and Canada in general the news of the improvement in the condition of President Harding will be received with a genuine spirit of gratification. From the tone of this morning's bulletins from the sick chamber there is every prospect that he will make steady recovery and escape complications which are by no means uncommon in lung congestion. Canadians and British peoples everywhere will watch the President's progress to complete restoration to his usual good health with sympathetic concern.

NOTE AND COMMENT

Alberta found itself in the grip of snow and rain yesterday. And then there are some people who continue to grumble about the climate that we enjoy in this part of the world.

Mr. Lloyd George is coming to Canada in the Fall and suggests that his itinerary will not bring him farther West than Winnipeg. Surely he might be persuaded to come as far as the Pacific Coast.

The result of the Federal by-election in Cape Breton North and Victoria will not give Mr. Meighen much material for joyful celebration. In other words the people of Canada are not concerned about the former Prime Minister's doubtful outlook.

The four Labor members of the British Parliament, who were recently suspended, have been forgiven by the House and after a month's holiday—on full pay, of course—they have been allowed to return and will not be obliged to apologize for their conduct. Another example of the tolerant spirit in which John Bull conducts his public business!

HARD TO CONVINCE.

St. John Telegraph-Journal:—According to information given out by the United States Public Health Service, the span of human life was lengthened from forty-one to fifty-six years during the period that elapsed between 1870 and 1920. It is predicted that it will be further lengthened during the next half century by at least twenty years more. All the efforts to convince people to the contrary will still leave many who will persist in believing that such beneficial results have accrued, and will accrue, not because of, but despite public health efforts. If every fifty years, such predictions are made, some of our descendants may yet hope to rival Methuselah.

DRIVING AT WHAT?

To the Editor:—In The Times of yesterday a letter appears on the Gold Standard by W. E. Pelice, in which he states "H. Milne has written a very entertaining letter, but its dollars to doughnuts that not one in five hundred who read it will understand what he is driving at." What W. E. Pelice says about H. Milne's letter may or may not be true, but I venture to assert that not one in five thousand knows what W. E. Pelice is driving at in his own letter.

CUI BONO

THAT HALF-HOLIDAY

To the Editor:—I notice your editorial in Monday's issue concludes with these words: "Give the clerk his holiday, but keep the stores open."

What about the small storekeeper who has to be on the job from 8 a.m. to 6 p.m.? He is human, too, and if, as you state, every assistant requires a half day's respite from ordinary grind, surely the individual storekeeper needs a respite as much or perhaps more than the clerk.

A healthy citizen is a bigger asset to the city than the doubtful bit of business to be obtained by keeping the stores open; so I say with others in the district, close the stores on Wednesday half-holiday.

RESIDENCE PERMITS

To the Editor:—There recently appeared in your columns a letter signed Wm. Marchant dealing with the building figures of Victoria and surrounding municipalities for the period covered from 1st January to 30th June this year, and purporting to draw conclusions therefrom calculated to throw discredit on the policy of taxation of improvements adopted by the Victoria City Council of 1922.

As it would be impossible to make any sound deductions except by making a comparison with the year preceding the change I have taken the trouble of securing the figures for the years 1921—1922 and the first half of 1923, and have arranged them hereunder, showing their relation to each other on a percentage basis.

Values of Residence Permits			
	1921	1922	1923
Oak Bay	\$24,256	\$24,256	\$24,256
Saanich	233,395	91,731	78,528
Esquimalt	8,855	17,800	17,800
Victoria	264,883	212,664	97,465
	\$1,044,271	\$729,446	\$236,549

Half year.

Taking the four Municipalities as one unit and comparing the figures of the years 1921, 1922 and 1923 with each other, the figures are as follows:

Relative Percentage of Each Municipality			
	1921	1922	1923
Oak Bay	25%	33%	36%
Saanich	22%	12%	30%
Esquimalt	8%	5%	7%
Victoria	85%	48%	26%
	100%	100%	100%

It will be seen by the above figures that Victoria has maintained a very substantial percentage lead of all the sister municipalities in spite of the fact that she has departed from a so-called single tax policy.

Again comparing the figures of 1921 the last year of single tax, with the past six months, being the latest figures possible for use as hereunder—

Percentage of Permits, 1923, Compared With 1921

Oak Bay, 1923, permits 28% of 1921
Saanich, 1923, permits 20% of 1921
Esquimalt, 1923, permits 8% of 1921
Victoria, 1923, permits 44% of 1921

A perusal of these figures will convince anyone that Victoria is not losing anything by this comparison, as it must be borne in mind that Oak Bay holds the position of being Victoria's most desirable residential suburb, and attracts many wealthy residents who are engaged in business pursuits.

Another most important factor in the matter of Victoria's residential building permits is the amount of desirable vacant land available for this purpose in the City limits as compared with Oak Bay. In the first place the City of Victoria embraces in her confines somewhat less than double the area of Oak Bay, and in that area maintains a fully equipped modern city, and homes for nearly 40,000 persons, while Oak Bay is practically a residential area, and her population is approximately 5,500 only. What more natural, all things considered, than that Oak Bay should draw a fairly heavy proportion of new home builders to her.

The remarkable feature of the whole matter is that Victoria makes such a fine showing in comparison with her outlying municipalities. As one of the "young business men" of the Council to whom the writer of the letter refers, I trust that these figures will dispel any illusion that the figures quoted in his letter prove that the taxation imposed upon improvements has in any way retarded the upbuilding of our fair city.

D. LEEMING.

394 Pemberton Building, Victoria, B.C., July 30, 1923.

IMPROVEMENT TAXATION.

To the Editor:—A recent letter from ex-Mayor W. Marchant, is worthy of public discussion. He is asking two main questions:

1. Does the tax on improvements repel building in the city?
2. Does a more favorable tax elsewhere attract Victoria's building into those localities?

The answer to the first question is self-evident. So does a tax, or cost on anything else. The tax on land has repelled building in this city. Nothing of practical economics is proved by that. If buildings entail taxes, the taxes have to be paid. Who should bear the burden of expense incurred, and advantage derived?

The answer to the second is also self-evident. This is not the only factor in choosing residence. To depend entirely on a low tax might not attract any more people here than we have now.

Having laid aside the real burden of Mr. Marchant's letter, let us look at his problem. For the following calculations I assume the correctness of Mr. Marchant's figures. Also that the permits represent residences as

CAMPANA'S ITALIAN BALM

As a dressing for the hair, there is nothing better than

For the words, "Wilt thou obey him and serve him?" she wished to substitute, "Wilt thou love him and comfort him?" The woman's promise to "obey" was to be altered to "cherish." The giving of the woman to be married was to be left out; the man was no longer to say, "with all my worldly goods I thee endow," and a rubric was to be inserted directing that the woman should give the man a ring. Miss Royden said that the vow to obey was of an extraordinary obsolete character, and especially inappropriate to the relations of the sexes. Man and wife should be placed on terms of equality. The Church should have taught that self-control was necessary in marriage, and that the wife's feelings should be consulted and her will accepted at least as often as the husband's. Lord Hugh Cecil said the service expressed the teaching of St. Paul in regard to the family. He taught the subordination of the wife to the husband.

IN WOMAN'S DOMAIN

SPHERE OF RURAL NURSE IS DEFINED

Esquimalt Service Council to Confine Nurses' Services to Taxpayers

The third quarterly meeting of the Esquimalt Rural Nursing Service Council was held at Colwood Hall on Monday, July 30. R. I. Van der Byl presiding. After the ordinary routine of business, adoption of minutes and reports, the financial statement was presented by the secretary-treasurer, which showed receipts for the three months, April, May and June to \$476.62, against \$460.85 expenditure, and balance in bank and on hand \$265.38.

The report of the executive, presented by the president, included the investigation re the establishment of a traveling dental clinic, with the recommendation that the matter be laid over for the present. The report was spoken to by Dr. R. Felton, who advocated the equalization of taxation for such matters as the establishment of anything in the nature of a health centre.

The president's report also dealt with the result of the recent taxpayers' meeting with regard to the partial payment of taxes at night. As a result of this report the following resolution was carried: "Whereas the executive of this council in consultation with Dr. Young, Provincial Health Officer, were advised to instruct the nurse in charge to confine her work in those districts not paying for her services through the taxes to one visit to the school per month for inspection purposes only, and under the direction of the medical school inspector, and that her services be obtained in those districts at a fee of \$1.00 per visit for day work and \$1.50 for emergency calls at night. Therefore be it resolved that this committee confirm the action of the executive in deciding to adopt that system and to instruct the nurse accordingly."

A sub-committee was then appointed, consisting of Dr. Felton, A. S. Burgess and the Rev. H. Pearson, to draw up a proposed revision of the constitution of the association, for discussion at the next quarterly meeting, before a report is submitted to the next annual meeting.

The school follow-up work, child welfare work, will be carried on in those districts paying taxes, namely, Colwood, Happy Valley and Goldstream. Albert Head has not yet held their meeting, but it is confidently expected that the result of the vote in that district will be favorable.

The secretary-treasurer, being a resident of Metcheson district, and that district having no tax, asked the nurse to be clearly defined, to state no future comment regarding her right to her seat on the council. The position was clearly defined by Dr. Felton and corroborated by the members as follows: "The position of secretary-treasurer is that of a servant of the council, employed by the council."

The nurse's report for the month of July was as follows: 30 home advisory visits, 80 child welfare visits, 63 nursing visits, including 16 Metropolitan, 3 pre-natal visits, Chicken pox cases all recovered. Whooping cough is about in some districts.

JULY RAINY MONTH WEATHER MAN FINDS

July was a rainy month here, according to figures issued by F. Napier Denison, Superintendent of Gonzales Observatory, to-day. During July 34 inches of rain fell, Mr. Denison says. This is 14 inches above the average. The total rainfall to the end of July was 16.39 inches, or 3.19 inches above the average. Sunshine during July totalled 342 hours, which is 12 hours below the average. The mean temperature during the month was 60 degrees, which is just the average. The highest temperature was 82 degrees on July 13 and the lowest 48 degrees on July 29. The low temperature on the grass, on July 29, was 45 degrees.

CONSTABLE EXONERATED.

Hamilton, August 1.—Constable Samuel Black, traffic officer, was last night exonerated of blame in connection with the fatal shooting of his wife here on July 26.

YOUR HOME AND YOU

By HELEN KENDALL
The Porch Console

The pretty little house of some friends of mine in the suburbs had a rather broad flight of steps leading up from the front walk to a rather narrow porch. It was the only porch they had, however, and so they had to furnish it as a Summer living room, if possible. The deep lounge chair which was drawn out upon this veranda was large enough, in all conscience, but when they tried to put a good sized painted table out for books, flowers, and work-bags, there was scarcely any room left in which to walk.

When I spent a week-end with them last Fall, they were still trying to decide whether to go to the expense of widening the porch or confine themselves to one or two chairs, with no table at all. This Spring, when I drove out for a pop-cali, there was a change in this little porch. At first I thought they had carried out their plan of broadening it; then I saw they had made it look larger by a clever arrangement of furnishings.

To begin with, instead of the large oblong table, with its square corners to be bumped into, they had installed a console table beneath the living room window, with a flat side to go against the house and a curving front with no angles to catch the unwary. The actual and apparent space which this console table gave was remarkable. One or two large wicker chairs had been left, but further along on the narrow porch a bench had been built in, comfortably cushioned and accommodating five or six persons.

"Perfect for the small fry when they assemble," said the father of the family. "And for extra friends who may drop in of an evening. This is a window seat, you see, but instead of being inside the window, it is outside the window! We haven't room here for a swinging seat, but one may lie down on this stationary seat and read or nap in comfort. At any rate, we have room to walk back and forth now, in spite of the narrowness of our veranda."

TENNIS DANCE SET FOR THURSDAY

Flannel Function to Be Held at Alexandra House

Tennis week in Victoria always has as its outstanding social function the flannel dance which is to take place at the beautiful ballroom of the Alexandra house to-morrow night, commencing at 8 o'clock. Heaton's orchestra will be in attendance, and that assures the best of music. The catering is in the hands of those in charge at the club. Tickets are in great demand, and a large attendance is expected between forty and fifty of the visiting players will be present. Those desiring tickets should apply at once to E. A. Jackson, Mrs. (Col.) A. E. Hodgins, J. G. Brown, secretary of the Tennis Club, or any of the gentlemen members of the club and save disappointment.

Another entertainment which is provided for visiting players is the motor ride on Friday evening, starting from the corner of Johnson and Blanshard Streets (B. C. Telephone Building) the car will proceed via Government Street to the Dallas Road, thence via the Beach Drive, Uplands, Gordon Head, Brentwood and return to city. The start will be made at 8:15 p. m. Motor cars will park on the north side of Johnson Street between Blanshard and Douglas Streets.

SLEEVELESS FROCKS AND 'MAKE-UP' AT WORK FORBIDDEN

Chicago Business Firms Insist on Simple and Suitable Wear for Staffs

Chicago, July 26.—"Cover-up." That order went out to six hundred girl employees of the Peoples Gas Company to-day. It means rounded arm and shapely shoulder must be concealed in business hours and not in transparencies either.

"The have been coming to work in evening gowns, tennis costumes, without hats, and some in socks," said the company's dean of women.

"All women employees are requested to refrain from wearing sleeveless dresses, appearing on the streets without hats and using an excessive amount of make-up," says the order.

Several hundred girls hurried out to buy sleeve caps or draping scarves.

"The management feels strongly and disallows will follow where the request is not observed," the bulletin concluded.

There is a general business crusade against sleeveless frocks and slit sleeves.

Girl employees of Montgomery Ward & Co. may appear once sleeveless, but not again, according to Miss Laura Haines, head of the welfare department.

Miss Frances Sinclair of Marshall, Field & Co. says: "Our rules say 'hat wing'—that's the sleeve that covers the upper arm but leaves the arm exposed when it is raised—and slit sleeves are not allowed. Lace or net sleeves are not permissible when lined with some sheer material. Nor do we permit light hose, beige or pale gray. Sleeveless dresses and light stockings do not impart a dignified, businesslike air. These rules

C. P. R. SOCIAL CLUB WILL HOLD PICNIC SATURDAY

Goldstream Will Be Suitable Location for Holding of Sports

The third annual picnic of the C.P.R. Social Club will be held at Goldstream on Saturday. A splendid programme of sports, numbering twenty-six events has been carefully prepared to provide amusement for all.

Suitable prizes will be awarded to the successful contestants. One first prize and two others only will be awarded to one competitor.

The C.P.R. Social Club has a city-wide reputation as being very energetic and successful host in all its numerous enterprises, whether they be indoor or outdoor functions, and members of the Club are looking forward to a grand re-union of both employees and friends at this event, where all will be assured of an enjoyable time.

Tickets may be procured from any of the following members of the committee: C. O. Van Camp, A. M. Porter, C. Rose, W. Henry, W. Wallace, C. Pelling, H. Barberwoods, G. E. Dixon, H. Richmond, A. M. McNeil, J. Ballinger, D. McLeod, W. H. Gropp, J. N. Ford, F. G. Mulliner and C. G. Griffiths.

Trains will leave the Esquimalt and Nanaimo Railway depot at 9 a.m. and 1:15 p.m. standard time, returning leaving Goldstream at 7:30 o'clock at night.

GARDEN PARTY AT 830 ST. CHARLES ST.

The ladies comprising the educational committee of the Y. W. C. A., who are arranging the tea and garden party at the home of Mrs. M. G. Moore, 830 St. Charles Street, to-morrow, from 3 to 6 p.m., are busy with plans for this branch of "Y" work for the coming school year. Efforts are being made to secure the best teachers in Victoria for the night classes, where the employed girl may improve her culture, and physically at a nominal cost. This will require considerable financial assistance from the association.

The convenor of the committee believes that there is no reason why Victoria should not derive from the work of this department of the "Y" the same benefit known to be enjoyed by other cities, and feels that all that is needed is the sympathy and support of the public, which may be shown by attending such affairs as the garden party at Mrs. Moore's.

WAGE AGREEMENTS NOT BEING DISCUSSED BY RAILWAY MEN

Calgary, Aug. 1.—Wage agreements are not under discussion at the bi-annual convention of the International Brotherhood of Railway and Steamship Clerks, Freight Handlers, Express and Station Employees being held in this city. A.

Martin, chairman of the press committee, announced. Mr. Martin made the statement in reply to a question as to whether a new wage agreement was being negotiated at the convention. Mr. Martin said that the business being transacted relates solely to the administration of the organization. The convention is expected to end this evening with the election of officers for the following year.

President of Victoria Automobile Club Becomes Vice-President

The office of honorary president of the newly-formed Automobile Club of British Columbia will be offered to His Honor Lieutenant-Governor Walter C. Nichol. It was unanimously decided at a meeting of the eleven directors of the new organization representing the Victoria, Vancouver and New Westminster automobile clubs held to elect officers on Monday night in Vancouver.

To T. H. Kirk, second vice-president of the Vancouver Automobile Club, fell the honor of being the first president of the new organization. The vice-presidents elected were, Norman Yarrow, Victoria; J. R. Agar, New Westminster; and F. G. T. Lucas, Vancouver.

There will be no paid officials of the new body. It was decided, and Stanley E. Peters, first vice-president of the Vancouver Automobile Club, was elected honorary secretary, with C. N. Lee, secretary of the Vancouver club, chosen to fill the post of honorary treasurer.

Wing to business pressure, neither A. E. Foreman, president of the Vancouver Automobile Club, nor F. R. McD. Russell, K.C., honorary president of the same body, would allow their names to be put up for election to office. Both will serve as directors of the new body.

The directors of the Automobile Club of B.C. from the three clubs which brought about the organization of the Province-wide body are Col. A. W. R. Wilby, Victoria; R. R. Webb, Victoria; W. R. Reid, New Westminster; Roy Brown, F. R. McD. Russell, K.C., and A. E. Foreman, Vancouver. These, with the officers elected on Monday night, will form the executive of the club.

It was decided that the membership fee for branch and direct members shall be \$10 a year. In the case of branch members this will entitle them to membership in the automobile club of their own city as well as the Automobile Club of British Columbia.

Another meeting of the officers and executive will be called shortly by Mr. Kirk to discuss fully the campaign of organization throughout the Province which is being laid out by a special committee.

WELL-KNOWN PRIEST TO ARRIVE TO-DAY

Father McShane Here From Montreal; Popular As Lecturer

Rev. Gerald Francis Joseph McShane, one of the best known Catholic priests in Canada, will arrive here this afternoon from Montreal on a visit.

Father McShane is of Irish extraction, and a native of Montreal. He is the pastor of the leading English-speaking Catholic church in Montreal, St. Patrick's, of which he was originally curate after his ordination in France. In 1899 he transferred to Notre Dame parish church, Montreal, where his sermons in French and English attracted great attention. Later he was appointed to his present post. Father McShane is well known as a lecturer in Canada and the United States. A man of scholarly attainments, he enjoys great popularity on the lecture platform.

SOVIET ENVOY ARRIVES IN ROME

Rome, Aug. 1.—M. Jordansky, successor of the late M. Vorovsky as head of the Russian commercial delegation here, arrived in Rome yesterday. He asserted he had full powers to sign the Straits Convention concluded at Lausanne.

At the THEATRES

CAPITOL

The beautiful and lyrical love story, the sheer potency of its drama, the exquisite tenderness of its pathos and the abounding thrills that permeate the production from beginning to end, make "Westbound Limited," shown at the Capitol Theatre, one of the really great films of the year.

"Westbound Limited" seizes upon a railroad man, an engineer, often timid about advertising himself, always loyal to his superiors, and glorifies him in pictures in the same manner that the immortal Lincoln glorified the great dominant plain people in beautiful words and phrases.

Director Emory Johnson, who produced the picture, has made the railroad man, the engineer, the telegraph operator, the derailing switches, a spectacular forest fire and the loyalty of the workers from the humblest engineer to the chief executive, the groundwork for introducing one of the sweetest, most poignant and romantic love stories that has ever been written since the great bard's best effort, the immortal story of "Romeo and Juliet."

One of the noteworthy features in "Westbound Limited" is the splendid contrasts that exist in the characterisation. With a masterful eye, Director Johnson has so blended his art, his human touch, the comedy and the drama that "Westbound Limited" seems to be one great unit of suppressed emotion.

Ralph Lewis as the veteran engineer Director Johnson and Ralph Lewis have done for the railroad man something akin to what Homer did for Troy; not in hexameters but in facts that are seen.

The cast in "Westbound Limited" includes Claire McDowell, Ella Hall, Johnnie Harrow, Taylor Graves, Wedgewood Nowell, David Kirby, Richard Morris and Jane Morgan.

DOMINION

Thomas White, the four-year-old son of the Rev. Dr. White, vicar of the clergyman St. Louis, Mo., where the little chap first saw the light of day, is one of the real actors in Elmer Clifton's screen production of "Down to the Sea in Ships," now showing at the Dominion.

Shortly after his birth, little Thomas' parents moved to New Bedford, Mass., where the father is one of the leading clergymen of the famous whaling town. The handsome boy was chosen by Mr. Clifton to enact the role of Thomas Allen Dexter, afterwards played as a grown-up by Raymond McKee. Aside from his good looks the boy is an exceptionally talented youngster, and a real playmate of little Elizabeth Foley.

There is an unusually effective scene between the two youngsters, in which Elizabeth, by means of a string attached to Tommy's tooth, extracts the biscuit by means of a healthy jerk, which not only sets her youthful playmate to genuine tears, but also moves her to weep at his misery. The extracted tooth, which really loosed and there was no "faking" of the scene in the picture.

ROYAL VICTORIA

He was a horse of mystery—wild, determined, and the leader of a herd of desert mustangs. By night he wrought vengeance on man for the cruelties of the brand and incarceration. He opened corrals and liberated the enslaved horses; he trampled fields of grain and destroyed their fruitfulness; he fought mankind with the mute truculence of a mistreated animal and was victorious. Then he encountered a different sort of man—a man who used neither whip nor choking lariat. Come to the Royal to-day and see what happens then. "Just Tony," adapted from the novel "Alcatraz" by Max Brand, and produced by William Fox. It is a picture you must not miss.

THE PLAYHOUSE

This intensely funny farce provided such a big attraction last week at the Playhouse that the management have decided to continue it for yet another week. This will not only provide an opportunity for those residents of the city who were unable to attend last week, to see this really worthwhile play, but it will also provide a suitable and amusing entertainment for the large number of visitors at present in town. Mr. Compton surpasses himself this week in the role of the unfortunate Sago Harrington who hates horses and is forced to ride in a steeplechase, and evokes a continual roar of mirth while he is on the stage. He receives excellent support from the remainder of his capable company. Altogether "The Hottentot," with its funny dialogue and amusing situations, its handsome mounting, and the excellence of the

PANTAGES PLEASES IN OPERATIC MUSIC

Excerpts From Grand Opera Well Rendered; Programme Lively Throughout

The sweet haunting air of the Barcarolle, from the Tales of Hoffman; the quartette from Rigoletto and the stirring chorus from Carmen—were among a selection of operatic numbers prepared for music lovers at the opening of the Pantages showing last night. Presented by Mildred Perkins, Hazel Thomas, Tina Lombardi, Alfredo Milano, Gino Lombardi, Santi Guica and Virginia Livingston bring their several efforts a clarity of tone and range of voice that is wholly appreciated by the audience.

While the selection from operatic music is a feature of the programme, the entire bill is well rounded and caters to all tastes. Renzetti and Gray in "When Help Needs Help" present an act that moves with swing and merriment from its opening to the last encore.

"Vaudeville Remnants" in the hands of Dobbs, Clarke and Dare prove enjoyable with plenty of excellent tumbling to lighten the action. Selbini and Nagel in "The Butterfly and the Cat" combine a large variety with excellent effect. Tumbling, bird and animal imitation, trick cycle riding and a number of other thrills come equally readily to the versatile pair.

"The Midnight Guest" entertains on the sly screen in the usual Pantagescope feature, while the orchestra rounds out an all-round excellent bill. The showing will be repeated this afternoon and evening, and again on Thursday.

COLUMBIA

The last chance to see "Thunder-clap," the William Fox special photoplay at the Columbia Theatre, arrives to-night. Those who enjoy a thrilling horse race, a spirited battle between brave youth and cunning experience, a beautiful love story and glimpses into the realms of yesteryear when the gambling room denizens of the underworld flourished, should avail themselves of the final opportunity to see this most thrilling and entertaining picture, which fairly bristles with thrills, laughter and sighs.

NOTED MUSICAL FIGURE PASSES

Professor Emil Pfordner, Well-Known Teacher, Succumbs Here

The Victoria musical world lost a notable figure in the death of Professor Emil Pfordner, who passed away at his home, 1339 Harrison Street, yesterday.

Born near Berlin, Germany, sixty-seven years ago, Professor Pfordner came to this continent as a young man and moved to Victoria in 1882. He became bandmaster of "C" Battery, Canadian Garrison Artillery, and then bandmaster of the local volunteer artillery corps under the late Lieutenant-Colonel E. G. Prior. He interested himself in the production of amateur theatrical and musical entertainments and was musical director of many shows produced in the Royal Victoria Theatre. For some years he was a member of the theatre orchestra and when the new Royal Victoria Theatre was opened he joined its orchestra, retiring about five years ago.

Professor Pfordner enjoyed a wide

BRIDGE OPENING SET FOR MIDDLE OF OCTOBER NOW

Rush Paving for Opening of New City-to-Esquamalt Highway

Opening of the Johnson Street Bridge and the new short route from the heart of the city to Victoria West and Esquamalt is scheduled for the middle of October, City Engineer F. M. Preston announced to-day.

Construction of the new bridge will be completed late in September or early in October, Mr. Preston stated. As soon as the bridge is finished paving contractors will be able to complete a short strip of paving from the bridge westward which cannot be laid until the new viaduct is opened.

Laying of cement to form the foundation of the new road from the bridge westward will commence immediately, Mr. Preston was informed to-day by paving contractors. Officials of Mr. Preston's department are maintaining a rigorous inspection of the paving work to see that it meets with the entire satisfaction of the city.

From now on about 140 feet of paving will be laid every day. Altogether about 4,000 feet will be laid, Mr. Preston stated to-day.

JAIL SENTENCE GIVEN DRIVER

Flash of Light on Bottle Led to Raid on Chinese Restaurant

One month in jail awaited Ernest Kruse in the city police court to-day, charged with driving a motor car while under the influence of liquor. The accused, a taxi-driver, was arrested by Constable Palmer at 1:10 a.m. on Sunday after a chase from the Gorge Road in which the motorist overtook the accused had been 53 miles an hour. Sergeant Walker, Constables Palmer, Strong and Woodburn described the accused as having taken drink.

Dr. Thomas Miller testified the accused was not in his opinion fit to drive a car. Pressed by R. C. Lowe for the accused, the last witness said the accused had been put through the usual tests for drunkenness and had failed to touch his nose with his finger while his eyes were shut. The accused had admitted taking drink, said police officers.

The accused denied the offence and was supported by Henry Flora who had been in company with him on the night in question. Magistrate J. L. Macdonald described the story of the accused as unlikely, and imposed the sentence stated.

Louise Luave, Lum and Kee, three Chinamen, charged with drinking liquor in a public place, namely the Hongkong Restaurant, pleaded guilty and were each fined \$50. James A. Altkman appeared for the accused, who readily admitted the offence.

Boi Toy and Yawk, employee, and waitress respectively at the Hongkong Restaurant, were charged with selling liquor. Each pleaded not guilty. Sergeant Boulton told the court that through a second-story window of the premises on Figgard Street he had seen the accused Yawk pouring from a bottle. It was the strong lights of the room shining through the blue bottle at a table where the men were seated that attracted his attention. With Constable Ireland the sergeant rushed to the premises and reached the bottle as the waitress screamed.

It is understood the defence will set up the bottle was not the property of the establishment but brought in by patrons. The hearing was remanded until to-morrow. Chong Yuy, charged with speeding was fined \$20.

WOODWARDS LIKED MAYNE ISLAND PICNIC

Mayne Island, Aug. 1.—Woodwards, Ltd., Vancouver, department store, through its manager, G. R. Bell, has sent Mrs. G. H. Allen, of the Mayne Island Hotel, a letter of appreciation for the enjoyment employees of the store experienced on their recent staff excursion and picnic there. The hotel grounds were thrown open free and the tennis court was turned into a ball ground. Woodward's orchestra kept the dancers busy on the veranda.

In his letter to Mrs. Allen, Mr. Bell says: "I want to tell you what a delightful time we all had yesterday, and thank you on behalf of Woodward's, Ltd., for the many favors which helped to make our visit to your lovely island such a splendid outing and holiday."

"You may feel assured that we will warmly recommend your hotel and the island to any who enquire. We all look forward to visiting you again, and hope that nothing will prevent our doing so next year."

SOCIAL AND PERSONAL

Mrs. E. Granville, of Vancouver, is visiting her friend, Mrs. G. C. Clark, Qu'Appelle Street, for the week.

Mr. and Mrs. Harold Robertson and family, St. Charles Street, have left for Qualicum to spend a month's holiday.

Mrs. Stewart, of Hope, B. C., accompanied by her small son, is visiting in Victoria the guest of her sister, Mrs. C. P. Hill, Esquamalt.

Mr. and Mrs. J. N. S. Williams and their youngest son are spending some weeks at the Oak Bay Hotel. Mr. Williams is a native of this city but has been in business in the Hawaiian Islands for the past few years. He left Victoria in 1886 and for years was connected with the sugar industry of Cuba. Honolulu is his home at present. Mrs. Williams, with his family, will journey east this year and eventually will return to their island home in the Pacific.

Mr. and Mrs. W. Hoey, with Mr. R. Bell, of Toronto, were the guests of Mrs. S. Joyce and her aunt, Mrs. Lindley, of Cordova Bay, over the week-end. Mr. Hoey and Mr. Bell attended the triennial meeting of the Imperial Grand Orange Council of the World and the Grand Orange Lodge of British America in Winnipeg. Mr. Bell left on yesterday afternoon's boat for Regina, where he will spend a few days, before starting for his home in Toronto.

LOCAL RADIO MAN TO HEAR NEW YORK

Builds Complete Set at Cost of Only \$80

Arnold H. Cave, employed as a clerk in the St. James' Hotel of this city, has built a surprisingly serviceable radio set. Up to the present Mr. Cave has been successful in hearing as far south as Pueblo, San Francisco is heard clearly.

Although Mr. Cave's set is complete in every way, and entirely satisfactory, the cost of building it was surprisingly small. Approximately \$80 was all that he required to spend in purchasing equipment; for he wound his own coils and generally made the best of his talent and originality.

The set is one that would be difficult to surpass in range. The owner fully expects to hear from New York this winter, possibly in the course of about six weeks. There are many broadcasting stations in the East that he has already picked up in his experimental trials of the new set. Calgary and Winnipeg are often heard very distinctly.

Mr. Cave told The Times to-day that with a little surgery, determining a few dollars, and a can easily build a very presentable receiving set, which may cover over a thousand miles. He said he had received wireless messages, though it may only receive concerts inside a radius of fifty or sixty miles. "But the only way to build a set without going to a great expense is to make your own parts," he said. The set owned by Mr. Cave is enclosed, with the exception of the batteries, in an oak case, partitioned off, and of slightly over two and a half feet in length. This box is about a foot wide and the same height, and contains the entire apparatus, including the amperage mechanism, with the exception of the aerial and batteries the whole set could be put into a show box without difficulty.

MAINLAND TENNIS STARS PLAY WELL

Miss Tatlow, Vancouver, Defeats Seattle Rival; Proctor and Boucher Win

Fast and keenly contested matches characterized the play at the Victoria Lawn Tennis Club courts for the British Columbia open-championship. The main event, the most interesting because of the fact that mainland points were well represented, Miss H. Tatlow, Okanagan champion of ladies' singles, and consolation singles champion of British Columbia, defeated Miss Green, the popular Seattle star, in two fast sets, 6-2, 6-3. Very obviously Miss Tatlow was the superior player and in better form than her rival, who nevertheless showed brilliant tactics and whole-hearted energy throughout the game.

Mrs. Milne, of Vancouver, defeated Mrs. Mogg 6-1, 6-3 after demonstration of a speedy service and heavy backhand stroke were essentials of a good game. Mrs. Hicks, of Cowichan, also won her match against Mrs. Tallyeard 6-1, 6-2. Both these matches were fast and well contested.

In the men's singles John Proctor defeated Knox, the former showing decidedly better generalship and using a powerful service, which on more than one occasion has proved the stumbling block of a rival. Knox played a very commendable game, despite the fact that Proctor had matters well in hand throughout the two sets, the score standing 6-2, 6-3. Knox won from Barnes by default.

Charles Proctor, from Granville, Boucher defeated Steven, Vancouver, 6-4, 6-3 after a grueling session of play. It was as much as either man could do to keep the ball in play the last few games of the final set.

Mrs. Diamond, the British Columbia ladies' singles champion, easily defeated Miss McNeil 6-0, 6-0. In the mixed doubles Mrs. Syson and Gallon won from Miss Mercer and Barnes by default.

A summary of the matches is as follows:
Ladies' Singles
Mrs. Hicks defeated Mrs. Tallyeard 6-1, 6-2.
Mrs. Diamond defeated Miss McNeil 6-0, 6-0.
Mrs. Milne defeated Mrs. Mogg 6-1, 6-3.
Miss Tatlow defeated Miss Green 6-2, 6-3.

Men's Singles
Knox defeated Barnes by default.
Proctor defeated Knox 6-2, 6-3.
Peers defeated Grant by default.
Boucher defeated Steven 6-4, 6-3.

Mixed Doubles
Mrs. Syson and Gallon defeated Miss Mercer and Barnes by default.

WELL-KNOWN HERE

Hugh Milne, Queensland Sugar Planter, Formerly Farmed at Sooke
Word has been received by Edward Milne, of Milne's Landing, Sooke, of the death in Queensland, Australia, of his brother, Hugh Milne, aged sixty-four years. He was a native of Greenock, Scotland, and came to Victoria thirty-eight years ago. Mr. Milne settled at Sooke as one of the pioneer farmers of the district. Twenty years ago he left for Australia and became a successful sugar planter. He was married, leaving a widow, five sons and one daughter in Australia. In addition he leaves a brother, Edward Milne, and two sisters, Mrs. Charles Beasley and Mrs. C. Phillips, of Milne's Landing, and a sister, Mrs. George Mann, in Oregon.

BAND TO PLAY AT CURTIS POINT CAMP

Test Between Angler and Swimmer Is Also Attraction Thursday Night

Weekly band concerts at Curtis Point, serving the double purpose of entertaining tourists at the auto camp and residents of the city may be staged during the Summer if the attendance indicates that they are desired. A concert is planned for Thursday night from 7:30 to 9:30, and in conjunction with the concert a novelty gala will be staged by the Victoria and Island Athletic Association. The 16th Canadian Scottish Band will supply the music, and the Athletic Club is doing its best to popularize the weekly concerts by staging a programme full of novelties.

The outstanding novelty will be a test between the skill of an angler and the strength of a swimmer. Hooked by means of a belt to the end of a fishing line, Miss Audrey Griffin will endeavor to resist all attempts of an expert angler to bring her out of the swimming tank. W. N. Lenfesty has been asked to try his skill as a fisherman against Miss Griffin's skill in the water. He will probably use a nine thread line which may be snapped by an eighteen pull and an ordinary light casting rod. A 7½ ounce rod and a ten pound line, a Vancouver angler battled with a "human fish" for over two hours before the swimmer was able to snap the line and break away. A couple of weeks later English Bay was crowded with spectators watching a second thrilling struggle between the same pair with the fisherman using a stronger line. Fancy diving canoe events, log rolling and a water polo game are among other items on the gala programme.

B. C. JAIL HEAD IS SUPERANNATED

Colin S. Campbell, warden of Oakalla jail, has retired on superannuation after thirty-two years of service in law enforcement under the British Columbia Government. Attorney-General Manson announced to-day.

Mr. Campbell was formerly chief of Provincial police in Vancouver, and later became superintendent of the force for the whole Province. Then he was placed in charge of the big Provincial jail.

An order-in-council validating his retirement has been passed by the Government.

W. G. McMynn, who was superintendent of Provincial police at Victoria until he was moved to the jail last Spring, succeeds Mr. Campbell as warden.

Better Prices Are Paid at The Track

Only One Favorite Got Down In Front Yesterday and Second Choices and Outsiders Had a Look In; Mae Seth Proved Best Payer of Meet, While Nonsuit, Overlooked In Fourth Race, Was Good For 8 to 1.

Only one favorite managed to get down in front in the third day's races at the Willows yesterday. Vodka, a Canadian-bred mare, outstripped the field in the seventh race of five furlongs and won as she liked, but she was so heavily backed that she paid only \$2.60 on a \$2 ticket. A place ticket on Vodka was worth 35 cents more than a ticket on the nose.

Two second choices breezed under the wire winners, while the leaders in the other four races were outsiders. Mae Seth, a three-year-old from the Bright and Richards stable, proved the best long shot of the day, repaying her backers at 11 to 1. Eye Bright was the favorite in this race, one mile and seventy yards, and after leading the field for three-quarters of the distance, slowed down on the back stretch as if he had suddenly struck heavy mud. Gargan, who was up on Eye Bright, had a number of favorites here since the racing began but has seldom failed to come through.

Snow Cap was well fancied in the opening race but Mary Fuller was too strong for him and pulled out rapidly on the back stretch, finishing with four lengths to spare. It was the only win Jockey Neal had during the day, but he gave Mary Fuller a good ride and Snow Cap never had a chance.

Another favorite falls. Another favorite toppled over in the second race, six and one-half furlongs, when Charles C. was unable to get up with Solon, an eight to one shot. Solon got off in front and stayed there, with Charles C. occupying second place. Thompson, who was up on Charles C., was unable to bring up his mount although he put the whip to him.

Babe Ruth struck out in the third race. There were barrels of money on the filly, but she was not equal to the burst of speed shown by Melody Man in the stretch and lost out by half a length. The Babe got away nicely and led the field until the turn into the stretch, when she swung wide and allowed Melody Man to get the rail position. In a driving finish the favorite could not stand off the challenge of the outsider. Melody Man was another good payer, a \$2 ticket straight returning \$13.50.

Overlooked Nonsuit. Nonsuit, the Johnson five-year-old, was overlooked in the fourth race, five furlongs. Iry Gray was heavily played to win, with three other horses getting a look in before Nonsuit. Iry Gray appeared like a winner, leading the field around the first turn and appearing to be running well. Nonsuit, who had been coming up steadily throughout the race, moved on fast in the final half and five yards and pushed his head across the wire in front of the favorite. Nonsuit paid \$16.95 for a \$2 straight ticket.

Nebraska, the Reid nine-year-old, was second choice in the sixth race, one mile and seventy yards, and made every post a winner. Nebraska, who was badly shaken up on Monday when Shelbyville stumbled, was up on Nebraska and scored his second victory of the afternoon. Yorkshire Maid was the favorite but was never in the race. Nebraska set the pace and was too hot for the rest of the field, which he won by three lengths. A \$2 ticket on the nose paid \$7.70.

Public Was Right. Vodka was the only horse in the last race, five furlongs, and the public seemed to know it. The mare led the distance and made her run and she came in with about five lengths to the good on Mountaineer, who was quoted at 15-1.

The results were as follows: Summary. First race, 6 1/2 furlongs—1. Mary Fuller, 112 (Neal), \$7.60, \$3.15, \$2.90; 2. Snowcap, 117 (Bauer), \$3.65, \$2.80; 3. C. O. Doren, 117 (Gibson), \$3.30, Time, 1:24 4-5.

Second race, 6 1/2 furlongs—1. Solon, 114 (Baker), \$16.45, \$7.50, \$4.50; 2. Charles C., 117 (Thompson), \$4.10, \$4.10; 3. Counsel, 114 (Blind), \$9.45, Time, 1:24 4-5.

Third race, about 5 furlongs—1. Melody Man, 114 (Moller), \$13.50, \$4.20; 2. Babe Ruth, 103 (D. Hurn), \$3.05, \$2.50; 3. Miss Grace Denny, 107 (P. Hurn), \$2.55, Time, 1:24 4-5.

Fourth race, about 5 furlongs—1. Nonsuit, 114 (Powell), \$16.05, \$5.70, \$3.50; 2. Iry Gray, 103 (D. Hurn), \$3.30, \$2.80; 3. May Flower, 112 (Thompson), \$3.60, Time, 1:24 4-5.

Fifth race, 1 mile and 70 yards—1. Mac Seth, 59 (Clark), \$23.95, \$16.15, \$4.55; 2. Yermak, 106 (D. Hurn), \$4.75, \$3.25; 3. Jay Mac, 104 (Crosby), \$2.40, Time, 1:40 1-5.

Sixth race, 1 mile and 70 yards—1. Nebraska, 109 (Baker), \$7.70, \$5.45, \$3.50; 2. Al Wick, 104 (Johnson), \$3.20, Time, 1:40 1-5.

Seventh race, about 5 furlongs—1. Vodka, 112 (Moller), \$26.00, \$2.95, \$2.50; 2. Mountaineer, 114 (Powell), \$5.70, \$3.50; 3. Louvain, 112 (Thompson), \$2.50, Time, 1:24 4-5.

Reds Receive Bad Set-back From Phillies

Pirates Move Up to Second Place As Result of Cincinnati's Bump

New York, Aug. 1.—The Phillies stepped up to the Reds in Cincinnati yesterday, took both games of a double-header and gently dropped them into third place in the National League, while the Pirates moved up to second place. The Phillies allowed Cincinnati just one run in each game and won by scores of two to one and five to one.

The Giants had some difficulty in beating the Pirates five to four. The Robins and the Cardinals split even in St. Louis, the locals winning the first game of a double-header eleven to three and Brooklyn the second seven to four. Cleveland won in Boston by beating Elmer Hard in the eighth and ninth innings, just managing to win five to four. In Washington Detroit trimmed the Senators twelve to five, while the Braves took an easy victory in Chicago six to one.

Tennis Stars From Far and Wide Have Come Here to Seek B. C. Championships

PLAY IN PROGRESS AT THE COURTS OF THE VICTORIA LAWN TENNIS CLUB. —Photo by Goodenough.

Love's of the net game are sure of a rare treat in the semi-finals and finals of the B. C. tennis championships being staged at Willows courts this week. Weinstein is a California star of the first water, while Marjorie Leeming has few equals, if any, among the lady tennis players in the Northwest. She has developed her game remarkably during the past years and has won the Oregon and Mainland B. C. titles already this summer. She now seeks the real B. C. championship. Many sterling players are entered in the various classes and there will be some capital games before the finals are reached. The finals will be played on Saturday.

UPLANDS GOLF CLUB. The annual general meeting of the Uplands Golf Club will be held to-morrow evening at eight o'clock at the Sperry Shaw School. Officers for the ensuing year will be elected and reports received. All members are requested to attend.

Railroaders To Get Ready For Play-off

C. P. R. Won Amateur Baseball Championship By Defeating Automotives Last Night; Will Meet Upper Island Champions in First Game on August 11

Roy Copas, manager of the C.P.R. baseball champions, can now turn his attention to grooming his boys for the play-off series for the British Columbia amateur baseball championship. As a result of the railroaders' victory last evening over the Automotives they have been crowned city champions and have won possession of the Peden Cup.

The C. P. R. will make their first appearance in the play-off on Saturday, August 11, when they will meet the victors in the Courtenay-Nanaimo series. The victors of the champions were favored with a bye in the draw and the two upper island leagues have to battle in the first round. On August 11 the C. P. R. will travel to the lot of the upper island winners. The date for the return game here has not been decided upon as yet.

The C. P. R. left no doubt as to which team was superior in last night's game, polishing off a good exhibition with an eight-run rally in the ninth inning and accomplishing the downfall of the Automotives by 13-3.

Good Game Till Ninth. The game proved a scrappy affair until the final inning, when the railroaders ran wild and knocked the ball all over the stadium.

Ar. Webster did the twirling for the C. P. R. while Mosher was on the mound for the mechanics. Both hurlers went along nicely, although Webster was given the best support by his team-mates. The C. P. R. played errorless ball, while the Automotives were guilty of six bobbles. Two runs were scored by the C.

equalized through Beattie. Fifteen minutes of snappy play in the opening of the second half put the game safely away for the visitors, Beak and Angell tallying.

The second game will be staged on Thursday.

JUNIOR BASEBALL. A real good scrap was staged last evening at Central Park, when the Pirates and Bays hooked up. The game was very interesting from a spectator's point of view, the outcome being in doubt until the final inning. John Latham, the Bays' second baseman, put his team well ahead when he knocked a home run with bases full. Two innings after this performance the Pirates managed to take the lead when the Bays' infield blew up. They held their lead until the end, leaving the grounds on the long end of a 12 to 8 score.

The next league game will be when the Pirates and Oakland clash at Central Park on Friday evening at 6:45 p. m.

PHILADELPHIA, Aug. 1.—Pancho Villa, flyweight champion of the world, went out of his class last night and in the opinion of newspaper men at the ringside, scored a decisive victory over Kid Williams, former bantamweight titleholder. Villa's weight was announced at 110 pounds and that of Williams at 118.

According to the majority of the experts Villa outpointed the Baltimorean in seven of the eight rounds and in the first of which he gave him three lefts to the head, forcing Williams to clinch.

Villa opened the fifth with a left hook to the body and then sent three lefts to the head, forcing Williams to clinch.

Williams, who followed this blow with a series of rights and lefts to the head and Williams slipped hard for a knockout, but the round ended before he landed another telling punch.

New York, Aug. 1.—Joe Lynch, bantamweight champion, and Pancho Villa, flyweight titleholder, were scheduled to meet in an eight-round non-decision fight in Philadelphia, August 27. Promoter Hoff offered Lynch \$10,000 to sign with Villa in addition to a \$10,000 guarantee.

Stars of The Court Win Their Matches

Few Experienced Players Found Trouble In Surviving Second Day's Play at Willows Courts Yesterday; Weinstein Is Playing Good Tennis; Several Interesting Matches on Programme

With a good crowd of interested spectators in attendance and perfect weather conditions prevailing play in the second round of the British Columbia tennis championships was completed yesterday at the Victoria Lawn Tennis Club courts.

In the ladies' singles the best match of the day was between Miss R. Richards, the young player from James Island, and Mrs. Boucher, of Vancouver. The former player took the first set 6-1, lost the second 6-3 and in the final was defeated 6-4.

Mrs. Boucher's experience stood her in good stead during the long battle with the aggressive visitor. The Seattle star, Miss H. Green, was successful in winning her match from Miss Kitchin after a three-set struggle. The first set was won by the latter 8-6.

Mrs. Diamond, present lady champion of British Columbia, had a hard fought match with Miss Henderson, one of Vancouver's star players, defeating her 7-5, 6-1. Miss Henderson extended her opponent in the first set but weakened in the second. Considerable applause was given the Mainland player on her excellent showing against so capable a player.

Japanese Eliminated. In the men's singles the best match of the day was between the prominent Japanese player, Kimura, and H. S. Flett, of Victoria. The first set went to the Jap 6-3, and the second to the local player 6-3. The final set was the hardest fought of the three and after an excellent exhibition of serving and hard hitting the final set went to Mr. Flett 7-5.

Another exciting men's singles match was played between O'Halloran, the Kingston Street star, and Sparling, of Vancouver, in which the Mainland city player was victorious by 7-5, 6-4.

Weinstein, the California star, and holder of several titles, as well as Verley, the local sensation, and Gordon, had no trouble winning their matches.

Pollard, the Victoria under-seventeen British Columbia champion, won his singles match from Eric Quantin after a hard hitting match. Quantin, in the men's doubles matches Bell and McLeod, of Vancouver, won from Colonel Goodday and Captain Berrill. Spencer's crack doubles players, List and Barnes, won their match from Dean Quantin and Eric Quantin.

Considerable surprise was shown by the victory of Leonard of Victoria, and Wilmington, of Delaware, over Gill and Whittaker, of Victoria, in three hard fought sets.

A three-set match was the feature of the ladies' doubles, Mrs. Diamond and Miss Fraser, of Vancouver, winning from Mrs. Taylor and Miss Henderson, of Vancouver, after losing the first set.

In the mixed doubles Miss M. Campbell and Collinson, of Victoria, won a three-set match from Miss Archibald, Victoria, and Wilks, Vancouver.

Many of the weaker players enjoying their first matches in championship company were eliminated during the day.

The results follow: Men's Singles. Rev. S. Ryal defeated V. Loureiro, 6-0, 6-0.

MANY APPRECIATE ARION CLUB'S OPEN AIR CONCERT

Large Gathering at Parliament Square Last Evening

Each successive year for thirty-two years that veteran organization, the Arion Club, has given during the Spring or Summer months, a concert on behalf of some local charitable object or institution.

Last evening before a very large turn-out of people assembled in the Parliament Square, one of these concerts took place, and the object, as explained in some well-chosen remarks by Rev. F. A. P. Chadwick, a member of the Rotary Club, was that of the fund guaranteed by that active club, for the new rotary tubercular clinic in connection with the Royal Jubilee Hospital. The collection was taken up by a committee from that club, under the direction of the Arion Club's honorary conductor, Howard Russell. It amounted to \$253.

The programme rendered consisted of fourteen numbers, three of which were contributed by the assisting artist, Mrs. Harry Briggs, dramatic

soprano, and George Guy, tenor, a member of the club. The choir, as usual, sang splendidly, and included in the programme and particularly outstanding, were the opening number, "Vocal March" (Brackett), "Silvia" (Obey-Speaks), which had to be repeated, "Matons" (d. Lassus) and "When Evening's Twilight" (Haltom).

The Soloists. Of Mrs. Harry Briggs it can well be said that never in the time of her artistic career has she sung better than during the past and present seasons. Studious, ever careful, and ambitiously inclined, this much favored singer is in her excellent vocalism impressing herself more and more with her fellow citizens. Her reception was most sincere and pronounced, and in her two songs "Tender" and "Spring," she met with great success. The latter is from the pen of the local composer, Douglas Macey, the words of which are also by another local writer, Mrs. Ebbs Canavan, and is a song worthy a place in any singer's repertoire. It has a delightful refrain, and is clearly and musically constructed. Mr. Guy has a beautiful voice which he uses with much discernment, and whenever he sings he always gives pleasure and satisfaction. He gave Werrenrath's "Cavalier's Song" in excellent style and with true significance of its message. He, too, received a splendid reception.

Mrs. Clifford Warm accompanied the soloists in her accustomed skillful and helpful manner.

Disease Germs Doomed

Many have lost terrors for the Scientist

The progress of recent years in medical research is little short of marvelous. Daily, science kills germs by the million. Daily, new ones are being discovered, isolated and exterminated by the march of medicine.

Science is winning. What were once regarded as serious diseases are now laughed out of countenance by the doctors. Fearlessly they plunge naked hands into swarms of them, their only precaution being to wipe their hands afterwards with a reliable germicidal preparation. We are witnessing the birth of an era when the world will have little to fear from microbes.

Absorbine Jr., besides being the all-purpose liniment that removes pain and soreness, and hastens healing, is a powerful antiseptic that is death to the microbe world.

Absorbine Jr., is just what is needed in the house in case of accidents and to correct the many little household hurt that constantly occur. \$1.25, at your druggist.

CAPTAIN AND MRS. L. MACINTOSH ELLIS, of Wellington, New Zealand, are in Canada to attend the British Empire conference on Forestry in Ottawa. Captain Ellis, a Canadian, is Government Director of Forestry in New Zealand.

NO EXCUSE NOW — White trouser and coat cuffs, white cap and white shoulder patches add to the visibility of New York traffic cops at night. Autoists can't say now, "I didn't see the policeman."

MINE BOSS FLIES TO WORK—Edmund Enriques, mine superintendent of Gates, Pa., does all his traveling in the air. He was in the Royal Flying Corps during the war.

FINGER-PRINTS on the stock of an automatic shot-gun abandoned by the Toronto bank bandits may prove an important clue. Above is shown the gun, and also some of the scars of battle left on buildings at the corner of Melinda and Jordan Streets.

WHEN SHALL WE THREE MEET?—Al Jolson, black-face comedian, does a little straight comedy with the picturesque gargoyles atop Notre Dame Cathedral in Paris.

SO THIS IS MEXICO!—It doesn't seem to be such a bad job after all, this task of arranging for recognition of Mexico. Charles E. Warren (left), one of the American delegates, and Ramon Ross of the Mexican commission are shown buying candy at a recent charity fair in the Tivoli del Eliseo at Mexico City.

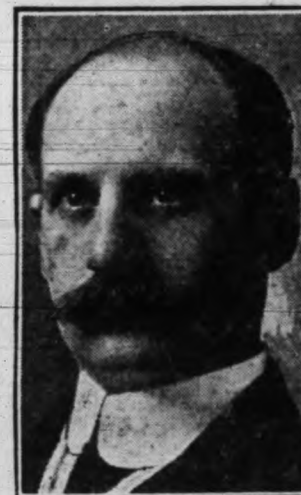

PERFECT PROFILE—This is Carlotta Monterey. Penrhyn Stanlaws, the artist, says that she has the best profile in America and that she is one of the thirteen most beautiful women in the world.

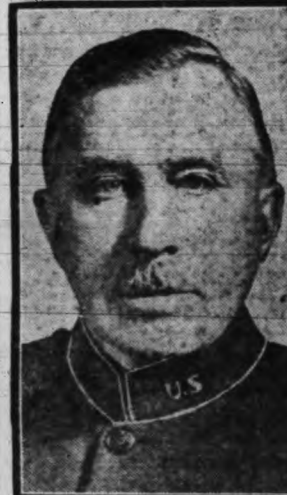

LAUGH THAT OFF, IF YOU CAN!—The greatest business in the world is "love-making," says Ruby Miller, English actress, now living in Hollywood. And Los Angeles men don't know how to do it, she maintains. Marital unhappiness will subside and contentment will take its place only when American men learn the art of making love, she adds. "Copy the sheiks," she advises.

50-FOOT DIVE—Walter Isaac, 15, executes a swan dive from a 50-foot ledge at Torquay, England, in preparation for the Olympic water events next year.

SENATOR BEAUBIEN, head of the Canadian trade delegation in France, was robbed of luggage and letters of credit to the value of 1,000,000 francs on a train between Lille and Douai.

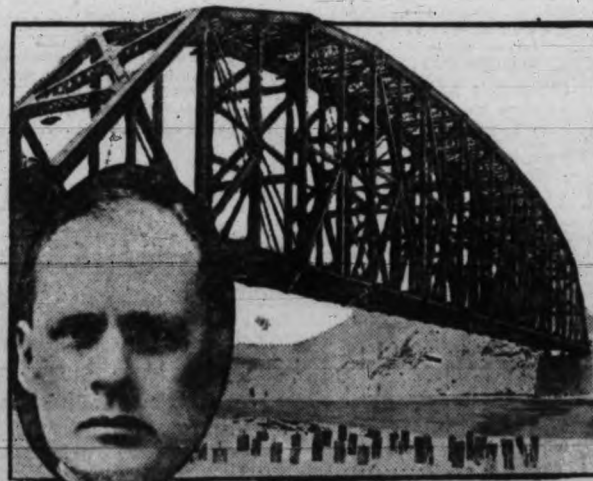

UNANIMOUS—Both Houses of the Philippine Legislature have demanded the recall of Gen. Leonard Wood, Governor-General of the Islands.

DR. WELLINGTON KOO has assumed the portfolio of Foreign Affairs for North China.

GOLD NONE TOO GOOD—A golden spike was driven into the Tanana Bridge, over the Tanana River, Alaska, by President Harding. It marked the formal completion of the government railroad line from Seward to Fairbanks, a distance of 471 miles. The spike was presented by the citizens of Anchorage to Colonel Frederick Mears (inset), U. S. Engineers Corps, who had charge of the railroad's construction.

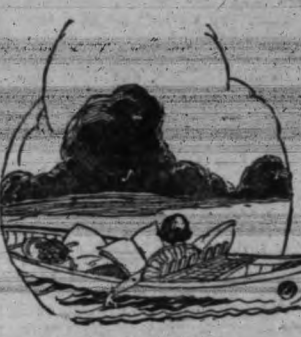

CHARLES CARLYLE, deskman at the Ontario Parliament Buildings, possesses a unique collection of war-like weapons, gathered from all parts of the world, through years of effort, and valued at over \$5,000.

SIR RICHARD SQUIRES has resigned the Premiership of Newfoundland, in consequence of charges of corruption laid against members of his administration.

KU KLUX AT WASHINGTON—The first Ku Klux funeral held in the vicinity of the national capital was that of Robert B. Young at Cedar Hill cemetery near Suitland, Md. Here you see the procession entering the burial ground.

FAVOR WAGE INCREASE.

Montreal, Aug. 1.—Arguments in support of the men's demands for a general increase of 10 cents an hour in the wages of 35,000 shopmen, employed on Canadian Railways, were marshalled before representatives of the railway association of Canada at yesterday's conference of agents of

both parties here. It is expected that next meeting will be held next week.
